**PRESIDENT TRUMP'S FIDUCIARY
DUTY RULE**

HON. JOE WILSON

OF SOUTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, February 7, 2017

Mr. WILSON of South Carolina. Mr. Speaker, President Donald Trump on Friday released a Presidential Memorandum on the Fiduciary Duty Rule and I am grateful that President Trump has directed the labor secretary to thoroughly study this harmful rule.

Under the Obama Administration, the Department of Labor released a burdensome fiduciary rule that increased the cost of financial planning reducing retirement advice for American families.

Families all over the country are struggling to save for their retirement and I applaud the President's swift action to study the harmful effects of this rule. I am confident a study will result in a delay or revision of this ridiculous regulation of 1023 pages to define a profession.

I will continue to advance legislation calling for a delay of two years to give Congress and the Administration time to reassess the regulation. While I will continue to advance legislation, any delay would be a victory for hard-working American families struggling to save for retirement creating jobs.

In conclusion, God Bless Our Troops and may we never forget September 11th in the Global War on Terrorism.

HONORING DONNA SALAMON

HON. ELIOT L. ENGEL

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Tuesday, February 7, 2017

Mr. ENGEL. Mr. Speaker, I rise today to honor a member of the SAR team who has utilized her time and talents to transform the academy through the arts, Ms. Donna Salamon.

Donna is a uniquely talented artist who has spent countless hours over the last 12 years transforming the Academy's open spaces into gallery walls and museum-worthy displays. She has a passion to elevate Jewish education. With her strong connection to Eretz Israel, she has created projects that incorporate science, literature, history, and most importantly, Jewish values, through art. Her

portfolio includes the design and production of a 720-square-foot mosaic mural, "Do What is Right and Good," depicting the core elements of the SAR experience on the Academy field wall. The mural was a 10-month project featuring 75,000 tiles, 12 iconic images, signatures from every child (804) in the Academy, and the work of more than 1,000 volunteers.

Donna makes SAR celebrations come alive—life-size educational games based on history curricula for Yom Yerushalayim, a year-long "Science is the Story," science, history and art program, including life-size dioramas and culminating in a Riverdale restaurant gallery showing. She also makes props for the Celebrate Israel Parade, banners for 'theme of the year,' stunning alphabet/middot paintings for the graduation ceremony produced by art elective students she leads, backdrops for such milestone events as the Siddur and Chumash plays, and sets for drama productions.

When not working to improve SAR, Donna loves spending time with her family. She and her husband, David, live in Riverdale with their three beautiful children, Yedidya, Yonatan, and Yaakov.

Congratulations to Donna on being this year's SAR Michael Schreck Memorial Community Service Award honoree.

**IN HONOR OF LOUDOUN COUNTY
HIGH SCHOOL VOLLEYBALL
STATE CHAMPIONSHIP**

HON. BARBARA COMSTOCK

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, February 7, 2017

Mrs. COMSTOCK. Mr. Speaker, I rise to recognize a school in my District who was recently crowned as state champion in volleyball. The Loudoun County High School Raiders Volleyball team, led by Athletic Director Bruce Sheppard, Head Coach Sherrilyn Hanna, and Assistant Coaches Julianne Hanna, Cayla Hamrick, and Amy Ging, was one of several teams who won state titles in a variety of sports from Virginia's 10th Congressional District. I am proud of their hard work in achieving this goal. They practiced long hours as a team, and this extraordinary achievement shows how far dedication, hard work, and commitment to teamwork can take a group as they played against some of the best competition in the nation.

The state final brought perhaps the biggest challenge of the season, as the Raiders faced the Jamestown Eagles, a team they had played in the state final three times in the last four years; a team that was returning all starters but their libero from last year's state runner-up squad. After dropping the first set and overcoming a major deficit in the third set, the Raiders turned the tide, dominating the fourth set and taking the match for a record setting 5th consecutive state title, and their ninth state title in the last ten years.

The Loudoun County High School Raiders Volleyball team has made Virginia's 10th Congressional District proud and they have represented us well. Winning a state championship attests to their impressive athletic ability, unselfish mentality, and determination to succeed. I commend them for their tireless dedication to both their school and their team-

mates, without neither of which this could have been possible. It takes a delicate combination of superior skill and many hours of practice to win a state title. Loudoun County High School Volleyball has certainly earned this honor and the lessons learned over the years will valuably serve them as they continue on in their lives.

Mr. Speaker, I ask that my colleagues join me in honoring the Loudoun County High School Raiders for winning 9 state volleyball titles in the last 10 years and representing Virginia's 10th Congressional District with such distinction. I wish them all the best in their future endeavors.

**COMMENDING THE MEDICAL
STAFF OF THE GEORGE WASHINGTON
UNIVERSITY HOSPITAL**

HON. JOHN H. RUTHERFORD

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, February 7, 2017

Mr. RUTHERFORD. Mr. Speaker, I wish to commend the medical staff of The George Washington University Hospital who cared for me during my stay in January.

On the evening of January the Eleventh I suffered an allergic reaction and was taken to The George Washington University Hospital for treatment. During my stay, I was cared for by an incredible medical team. I offer my most sincere gratitude to Dr. Mayce Haj-Ali for her insight and swift action to treat the allergic reaction I suffered.

I also wish to commend the incredible nursing staff who cared for me: Andrea Gavurin, Megan Johnson, Alelcunda M'mari, Ophelia Hunter, Mary Synder, Christina Gale, Danielle Sier, Chaquonna Watson, Crystal Nyguyen, Perla Adames-Castillo, Mamta Jazier, and Jaquece Mudd. In particular, I want to acknowledge Andrea, Megan, and Alelcunda for their continued diligence in looking after me to make sure I made a quick and full recovery. I owe this entire group a debt of gratitude. It is because of their care that I was able to recover and return to work representing the people of Florida's Fourth Congressional District.

The Bureau of Labor Statistics states that more than 2.5 million nurses work in the United States. These women and men provide and coordinate patient care, educate individuals about their health conditions, and provide advice and emotional support to patients and their family. I am grateful, not only for the nurses who recently took care of my needs, but for all nurses across the U.S. who work diligently to ensure the health of their patients. I ask my colleagues to take a moment to remember these individuals who work in the nursing profession and the care they provide to the American people.
